Name of Applicant: _____

Title of Project: _____

Grant Program (e.g. 2011 Colorado Creates): _____

Colorado Creative Industries Division has approved a statement of work for the above-referenced grant that is based on a proposal submitted by Grantee and accepted by the Division's review panel. Grantee is expected to produce a work product substantially in conformity with the original grant proposal. Any significant refinements, clarifications, modifications or changes to the proposal must receive the prior approval of the Division in writing. Examples include, but are not limited to clarification or changes to locations and numbers of activities, exhibits or performances; major changes in management staff or artistic staff; changes in themes; and changes in schedules.

To request approval for a proposal change, please give a detailed explanation below of the changes you need to make to your proposed project. Click the Submit button to send it to the CCI office or fax to 303-892-3848.
