Total Cash Costs _____ =		Total Income	_____

<u>Arts Education Goal(s)</u> —From your original application:

Strategies and Actions: Tell us about the impact you were able to make toward meeting your arts education goals through planning activities supported by CCA public funds. Please include successes, progress toward, and barriers to completing your proposed strategies and actions:

Next Steps: What are your plans to continue your Arts Education Planning and implementation efforts?

Acknowledgement: Briefly describe how you acknowledged this award from CCA. (Attach samples of any communication used in planning)

Anecdote: As you reflect on the CCA-funded planning activities, does a particular moment leap out in which you knew that you had made a difference -- to a child, an artist, a citizen, a teacher, a community? Briefly, tell us a story that illustrates one of these.
