Accomplishments. Tell us about what you achieved as a result of receiving public funds from CCI. If this was a project grant, how did your achievements differ from your original project goals?

Measurable outcomes. Provide evidence of the measurable progress you were able to make towards achieving your organizational or project goals, such as increases in audiences numbers, ticket sales, tourism, downtown business development, arts skills, etc.

Acknowledgement. Describe how you acknowledged this award from CCI, including thanking legislators for their support. (Attach samples of letters to legislators, press clippings, playbills, brochures etc.)

Anecdote. As you reflect on the CCI-funded activities, does a particular moment leap out in which you knew that you had made a difference -- to a child, an artist, a citizen, an audience, a community? Briefly, tell us a story that illustrates one of these. We may highlight your story on our website or in other publications.
